TO SERVE

PIANO LESSONS 2023

It is a pleasure to be able to offer itinerant music lessons at St Joseph's Catholic School again in 2023.

Much research has been done on the benefits of learning the piano
Some of the benefits are;

Changes Brain Structure and Mental Ability
Improves Rhythm & Coordination
Boosts Self-Esteem
Requires Concentration, Discipline & Patience
Strengthens Hand Muscles & Hand-Eye Coordination

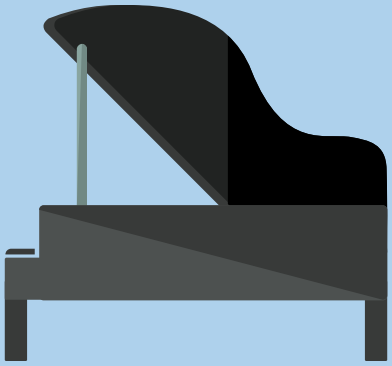
For more information scan the QR code:

LESSONS @ ST JOSEPH"S CATHOLIC SCHOOL

Will be held during school time on Thursdays.
Preference for lessons will be given to students who took lessons in 2022 - however you must re enrol.

These lessons will be shared lessons for 30 minutes costing each student costing $15 per lesson

Piano fees will be collected on behalf of the piano teacher. This will be charged to your school account



About the Teacher

Julie Brzozowski is a piano and violin teacher with ATCL diploma in piano performance, who has taught privately and in schools for 30 years, bringing students to a level of higher grade exams while instilling in them a love, appreciation, and understanding of music through practical tuition as well as a strong emphasis on theory which is a sound basis for understanding the music they are learning.

Name of Student.....Room .....

Has the child had any prior experience learning a musical instrument

.....
