BOARD OF TRUSTEES ELECTIONS

The role of the board

The Board of Trustees governs the school, protecting and upholding the school's mission, vision and values as reflected in our school charter. Over the last three years, our Board have worked hard to make sure St Joseph's Catholic School provides the best possible education for our children. Nominations were recently called for for parent representatives. We are fortunate to have more nominations than vacancies for parent representatives, so a voting election will be held. Eligible voters have been posted voting papers along with candidates' statements

The poll closes at 12 noon on 7 June 2019.

Voting papers can be returned to the school office or returned by post.

The highest polling candidates will be elected to the Board of Trustees. The results will be made available at the school and also published in a local newspaper.

CHESS

On the 23 of May 2019, St Joseph's school entered the chess competition held at Hillsborough Primary School organised by Chess Power. We had 4 players, Jacobo Pagan, Jericho Turburan, Francisco Fidow and Jireh Manuel representing our School in the competition.

It was an all day event where each player had to face 7 opponents. Each game was timed and the players had to make their moves to win within 15 minutes. Our participants performed well and won around 3 to 5 games each. The games were challenging and gave us an opportunity to compete with some very good chess players from different schools.

While we were there we learned a couple of chess tricks which was very helpful. Overall it was a very good day and we all enjoyed it. We also would like to thank Joshua Manuel our parent helper for looking after us for the day.
