

COVID-19 Moving to ALERT LEVEL 2 - 14 MAY 2020

Kiaora, Malo e lelei, Talofa lava, Bula, Mabuhay, Annyeong, Ni hao, Greetings to you all.

"Keep us, good Lord, under the shadow of your mercy in this time of uncertainty and distress. Sustain and support the anxious and fearful, and lift up all who are brought low; that we may rejoice in your comfort knowing that nothing can separate us from your love in Christ Jesus our Lord.

Amen"

Moving to ALERT LEVEL 2 - Students returning

We are looking forward to welcoming our tamariki back to school on Monday.

The purpose of this newsletter is to provide you with information to ensure a smooth reopening.

CHILDREN AND COVID-19

'Our experience in New Zealand and overseas with COVID-19 over the last four months shows that it does not infect or affect children and teens in the same way it does adults.

So children and teens have low infection rates, they don't become that unwell if they do get infected, and they don't tend to pass the virus on to adults.'

Dr Caroline McElnay Director, Public Health, Ministry of Health

REOPENING ON 18 MAY

The Prime Ministers announcement that we will be reopening schools on Monday the 18th was welcome news. I thank you all for your ongoing support of our school and your children during these unprecendented times.

We are delighted to welcome ALL students back on site - the exceptions to this are those with comprised immunity or those at higher risk if they contract Covid 19 as well as those who have a cold or the flu.
