

PIANO LESSONS 2021

It is a pleasure to be able to offer itinerant music lessons at St Joseph's Catholic School again in 2021.

Much research has been done on the benefits of learning the piano
Some of the benefits are;

- Changes Brain Structure and Mental Ability
- Improves Rhythm & Coordination
- Boosts Self-Esteem
- Requires Concentration, Discipline & Patience
- Strengthens Hand Muscles & Hand-Eye Coordination

For more information scan the QR code:

LESSONS @ ST JOSEPH'S CATHOLIC SCHOOL

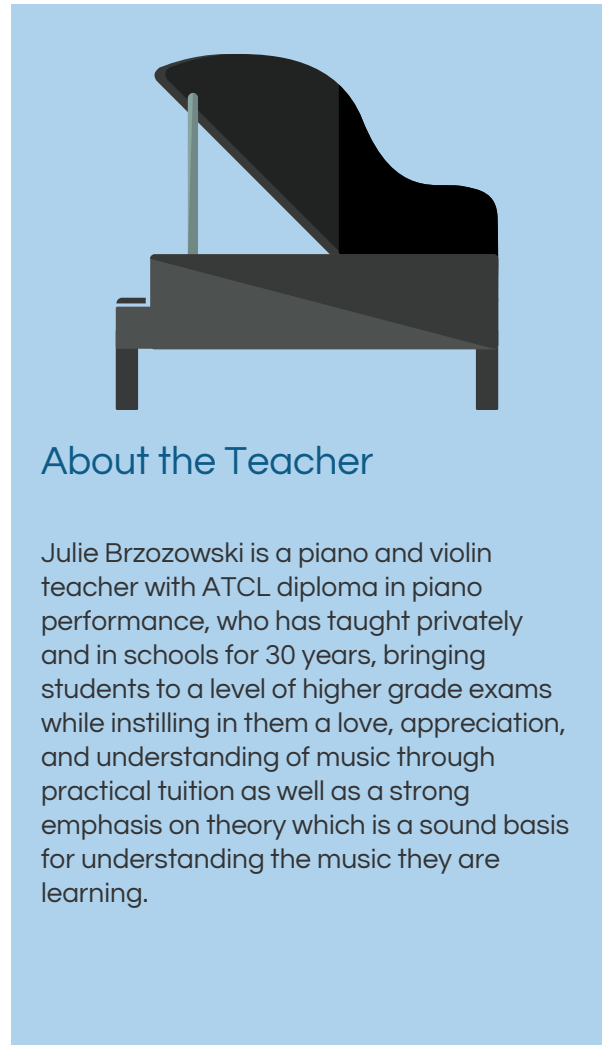

Will be held during school time on Fridays starting on 19 February.
Preference for lessons will be given to students who took lessons in 2020 - however you must re enrol.

You have three options.

- Individual 30 minute lesson - \$30 per lesson
- Individual 20 minute lesson - \$20 per lesson
- Shared lessons with 1 other - \$15 per lesson (30 minute lessons)
- Shared lessons with 2 others - \$10 per lesson (30 minute lessons)

(while we will try to accommodate your preference it will be dependent on timetabling)

Piano fees will be collected on behalf of the piano teacher in the school office.
You are able to have this charged to your school account - please indicate below.

About the Teacher

Julie Brzozowski is a piano and violin teacher with ATCL diploma in piano performance, who has taught privately and in schools for 30 years, bringing students to a level of higher grade exams while instilling in them a love, appreciation, and understanding of music through practical tuition as well as a strong emphasis on theory which is a sound basis for understanding the music they are learning.

Name of Student.....Room

My preference is:

- Individual lessons - 30 minutes 20 minutes
- Shared lessons - with 1 other with 2 others

Has the child had any prior experience learning a musical instrument

I would like this charged to my school account I will pay at the school office
I will pay weekly fortnightly monthly

Signed.....
