

Kiaora, Malo e lelei, Talofa lava, Bula, Mabuhay, Annyeong, Ni hao,
Greetings to you all.

MERCY VALUE OF JUSTICE

This term's Mercy Value is JUSTICE.

The mercy value of justice is about being responsible for one another and trying our best to be fair by taking our turn and sharing. It is about trying to make sure everyone is treated fairly and justly.

Te Tika

E te Atua, rapu i te tika, God, seeker of true justice: you call us to do what is right, especially for the poor and powerless. Let us to join together to work for the good of all people. May no one be overlooked or left at the margins.

May we look after the Earth, and use well the gifts you have entrusted to us.

Help us to be good stewards of the world you have made, in Mercy's name.
Amen

SOME QUESTIONS TO ASK YOUR CHILD

- How do you show social justice?
- Have you seen other people showing justice?
- What did Jesus say about the value of justice?
- How did Jesus show justice?
- What way can you show the value of justice this week?

SCHOOL LUNCHES

We are really excited to be part of the free lunch programme. Offering a lunch for all our children who need it will go some way to helping families and whānau to support their children and rangatahi.

Lunches cater for the diet, health and cultural needs of our students. Our students have been working with suppliers to let them know their taste preferences so that they can provide our students with TASTY, HEALTHY and NUTRITIOUS lunches.

The Term 3 menu is new and improved and has been given a 10/10 from our St Joseph's Catholic School student panel. We ask that you support your child/children in partaking in these lunches by talking about the importance of healthy food and supplying healthy morning tea.

UPCOMING DATES

To download the app just search SchoolAppsNZ in the app store, and then enter St Joseph's School Onehunga to find our School App.

Alerts are being sent out through this app so please download it.

INQUIRY LEARNING

At St Joseph's Catholic School we aim to enhance and enrich learning experiences through the use of our Inquiry Learning Model.

Inquiry aims to nurture deep, discipline-based way of thinking and doing with students. It involves students tackling real-world questions and issues; developing questioning, research and communication skills; solving problems or creating solutions; collaborating within and beyond the classroom; developing deep understanding of content knowledge; participating in the society to create and improve ideas and knowledge.

TERM 3 STUDENT INQUIRY IS

Look back, Look forward, be a kaitiaki!

Whakatauki: Me tiro whakamuri, kia anga whakamua
-the idea that we should look to the past to inform the future

Big Idea: How can we learn from past use of our local environment to create a sustainable future?

Resources to support student learning both at school and at home are available on our school website.

WELCOME

A warm welcome to Mrs Carol Sullivan and Mrs Rachel Wilson, who will be co-teaching in our new entrants class that has opened this term.

Carol is an experienced nurturing educator whom worked at St Joseph's last year in Term 4.

Rachel is an experienced creative teacher who joins us after time away from teaching, raising three boys (two of them are SJS students), and pursuing creative endeavors.

We are blessed to have them join our staff.
